LIST OF MATERIALS USED FOR AW20 COLLECTION

WAX NUBUCK

This waxed Nubuck offers a soft and sturdy appearance, the perfect look and is easy to maintain.

RONA SOFT

This grained Nubuck has a soft feel and is in great demand because of the luxurious appearance.

PORTLAND GRAIN

This grained leather has a lively and sturdy appearance and is in great demand because of its flexibility and is easy to maintain. Available in new color options.

DUCK MATT

This leather with a matt finish offers a very soft look and feel for both lined and unlined shoes and boots.

PULL-UP NUBUCK

This Nubuck has a waxy finish. The special finish of the Pull-up Nubuck makes this leather extremely lively and gives the shoe a rugged and sturdy two-tone appearance. In combination with our traditional waxed Nubuck leather gives the style a fresh new appealing look.

NAPPA SOFT

A very soft leather free of Aniline, only used for lined shoes and boots.

SPIRIT NUBUCK

This thin and very flexible grained Nubuck gives lined shoes a luxurious appearance and a soft feel.

OILED NUBUCK

This oiled Nubuck is only used for lined shoes and offers a traditional look and feel. Only available in 2 traditional colors.

TUNDRA

A waxed suede material only used by Loints of Holland for lined shoes and boots.

PULL-UP NUBUCK LINED

This is the thinner version of the Pull-up Nubuck, which makes this flexible leather suitable for lined shoes.

VEGAN SISA

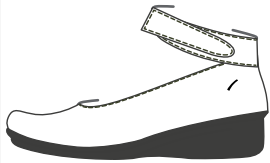

Our Vegan Sisa is a very flexible vegan material with a soft Nubuck-like look and feel.

FELT

Made from naturally sourced Merino wool brings our felt a subtle beauty and a natural look to any shoe.
