# SPRING SUMMER 2020

HAPPY NEW COLLECTION! WE'RE READY FOR A NEW SPRING SUMMER SEASON WITH LOTS OF UNEXPECTED COLOR COMBINATIONS AND MANY TYPICAL LOINTS MODELS IN RED AND BLACK. NEW, FRESH AND HAPPY COLORS HAVE BEEN ADDED TO THE MIX.

THESE THREE THEMES LIVE THROUGHOUT OUR USUAL GROUPS THAT HAVE PROVEN TO BE GREAT, AND GIVE THE COLLECTION A NEW FEELING OF UNITY.

ENJOY OUR NEW SS20 COLLECTION!

## OUR STORY

LOINTS OF HOLLAND IS A SUSTAINABLE SHOE BRAND, DESIGNED IN THE NETHERLANDS, PRODUCED IN EUROPE AND FOUNDED IN 1918.

WITH THE MOTTO “LESS IS MORE” WE PRODUCE SHOES THAT ARE BEAUTIFUL IN THEIR SIMPLICITY. WITH LARGE COLLECTIONS FULL OF SPARKLING COLORS AND INNOVATIVE SHAPES, LOINTS OF HOLLAND GIVES A NICE TWIST TO YOUR WARDROBE.

LOINTS OF HOLLAND NOT ONLY STANDS FOR BEAUTY, BUT ALSO FOR ENDLESS WEARING COMFORT AND RESPECT FOR PEOPLE AND PLANET. ALL PRODUCTS ARE PRODUCED UNDER FAIR CONDITIONS WITH MINIMAL IMPACT ON THE ENVIRONMENT.

# SUSTAINABILITY

SINCE THE 1960S, LOINTS OF HOLLAND HAS FOCUSED ON THE PRODUCTION OF SUSTAINABLE SHOES. IN ALL STEPS OF THE PROCESS, STRICT CHECKS ARE CARRIED OUT FOR FAIR WORKING CONDITIONS, ENVIRONMENTALLY FRIENDLY MATERIALS AND IN PARTICULAR A LONG PRODUCT LIFE.

FOR OUR MATERIAL WE WORK TOGETHER WITH A TANNERY IN WEGBERG GERMANY, CALLED LEDERFABRIK HEINEN. NO BENZIDINE AND PCPS ARE USED IN THIS TANNERY. IN ADDITION, THERE IS AN EXTENSIVE WATER TREATMENT PLANT. LEDERFABRIK HEINEN IS ONE OF THE CLEANEST TANNERIES IN THE WORLD AND WORKS PRIMARILY WITH NORTHERN EUROPEAN SKINS. THESE SKINS ARE STURDY AND OF HIGH QUALITY. LOINTS SELECTS ONLY THE MOST SUSTAINABLE MATERIALS FOR THEIR SHOES. BY TAKING FULL CONTROL OF THE DESIGN AND PRODUCTION PROCESS AND BEING VERY CRITICAL OF THE SUPPLIERS WE WORK WITH.

LOINTS OF HOLLAND MANAGES TO CREATE A PRODUCT THAT IS NOT ONLY SUSTAINABLE IN ITS CREATION, BUT ABOVE ALL VERY SUSTAINABLE IN ITS USE.

## *A FAMILY BUSINESS*

LOINTS OF HOLLAND HAS BEEN A FAMILY BUSINESS FOR OVER 100 YEARS! IN 1918, CORNELIS KLIJSEN PROUDLY STARTED AS AN INDEPENDENT SHOEMAKER. HE OPENED HIS WORKPLACE IN KAATSHEUVEL.

HIS SON, HENDRIKUS KLIJSEN (2ND GENERATION) GREW UP IN THE COMPANY AND EVENTUALLY TOOK OVER THE BUSINESS. IN THE 1960S KEES, HENK AND JAN KLIJSEN (3RD GENERATION) TOOK CHARGE OF THE FACTORY. THEY COMBINED THEIR EXPERTISE WITH SPECIAL DESIGN AND FOCUSED ON SUSTAINABLE PRODUCTION.

ERIK KLIJSEN AND VINCENT KRIEK (4TH GENERATION), SON AND SON-IN-LAW OF JAN AND KEES KLIJSEN, TOOK OVER THE COMPANY IN THE 1990S. THEY HAVE STARTED THE SUCCESSFUL EXPORT ABROAD.

NOW IT IS THE TURN OF THE 5TH GENERATION OF KLIJSEN BROTHERS. JOHAN AND RONALD, SONS OF ERIK, JOINED THE MANAGEMENT OF LOINTS OF HOLLAND IN 2018 AND WILL TAKE OVER FULL MANAGEMENT OF THE COMPANY IN THE COMING YEARS. THIS PROVIDES A DOSE OF FRESH ENERGY FOR THE PROVEN CONCEPT THAT LOINTS OF HOLLAND IS AND WILL BE.
