

GRÜNBEIN

SUPPLEMENTARY CATALOGUE

NEW MODELS HW2023

New for this saison are the quality leathers EMPORIO and FONTANA (see photos), in addition to the popular ROMA leather with its stylish and classic colours.

All Grünbein models can be produced in each of these three types of leather.

The new "SLIM FIT" is also celebrating its premiere: slim shape, manufactured in AGO style, with the new models Marit, Talvi, Elin and Charlie.

All models can also be produced with warm lining (100 % new wool).
