SUPPLEMENTARY CATALOGUE

NEW MODELS SPRING/SUMMER 2024

All samples in this catalogue are available in the configurations shown in this catalogue.

According to a new provision of the manufactory, there will be an extra charge of 3 EUROS PER PAIR of shoes for each additional change (different color of stitching, micro, laces, stretch, ...).

(The many special requests in previous seasons have affected the production process too much.)

From a quantity of 24 pairs per article variant with the above-mentioned changes, the extra charge does not apply.

A different sole (e.g. natural crepe sole instead of trekking sole or normal trekking sole instead of red trekking sole) is generally possible without extra charge.

Of course, all articles and especially bestsellers from previous seasons can also be ordered again.
